INDEPENDENT AUDITOR'S REPORT

To the Members of Askennonia Senior Centre Inc.

Qualified Opinion

We have audited the financial statements of Askennonia Senior Centre Inc. (the organization), which comprise the statement of financial position as at December 31, 2021, and the statements of revenues and expenses, changes in net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the possible effects of the matter described in the *Basis for Qualified Opinion* section of our report, the accompanying financial statements present fairly, in all material respects, the financial position of the organization as at December 31, 2021, and the results of its operations and cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations (ASNPO)

Basis for Qualified Opinion

In common with many not-for-profit organizations, the organization derives revenue from programs, events and fundraising activities, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, verification of these revenues was limited to the amounts recorded in the records of the organization. Therefore, we were not able to determine whether any adjustments might be necessary to programs, events, and fundraising revenue, excess of revenues over expenses, and cash flows from operations for the year ended December 31, 2021, current assets and net assets as at December 31, 2021. The predecessor auditor's opinion on the financial statements for the year ended December 31, 2020 was modified accordingly because of the possible effects of this limitation of scope.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the organization in accordance with ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Other Matter

The financial statements for the year ended December 31, 2020 were audited by another auditor who expressed a qualified opinion on those financial statements on for the reasons described in the *Basis for Qualified Opinion* section.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with ASNPO, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

(continues)

In preparing the financial statements, management is responsible for assessing the organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the organization's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the organization to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

ASKENNONIA SENIOR CENTRE INC.

Notes to Financial Statements

Year Ended December 31, 2021

1. DESCRIPTION OF ORGANIZATION

Askennonnia Senior Centre Inc. (the "organization") is incorporated under the Business Corporations Act of Ontario as a not-for-profit organization without share capital and is a registered charity under the Income Tax Act. As such, it is exempt from income tax. The primary purpose of the organization is to provide services and support for the senior population in Midland, Ontario and surrounding area.

2. BASIS OF PRESENTATION

The financial statements were prepared in accordance with Canadian accounting standards for not-for-profit organizations.

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Cash and cash equivalents

Cash includes cash and cash equivalents. The company policy is to disclose bank balances under cash and cash equivalents, including balances that fluctuate from being positive to overdrawn. Cash equivalents also include investments in near cash instruments and are valued at cost plus accrued interest. The carrying amounts approximate fair value because they have maturities at the date of purchase of less than ninety days.

Revenue recognition

The organization follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Members fees are recognized as revenue proportionately over the fiscal year to which they relate. Programs, events and fundraising revenue is recognized when collected.

Contributed services

The operations of the organization depend on both the contribution of time by volunteers and donated materials from various sources. The fair value of donated materials and services cannot be reasonably determined and are therefore not reflected in these financial statements.

Financial instruments policy

Financial instruments are recorded at fair value when acquired or issued. In subsequent periods, financial instruments are measured at amortized cost and tested for impairment at each reporting date. Transaction costs on the acquisition, sale, or issue of financial instruments are expensed as incurred.

Measurement uncertainty

The preparation of financial statements in accordance with Canadian generally accepted accounting principles for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the period. Such estimates are periodically reviewed and any adjustments necessary are reported in earnings in the period they become known. Actual results could differ from these estimates.

ASKENNONIA SENIOR CENTRE INC.

Notes to Financial Statements

Year Ended December 31, 2021

4. GRANTS AND MEMBERSHIP FEES

	2021	2020
<u>Deferred revenue summary:</u>		
Deferred grants income	\$ 62,859	\$ 24,000
Deferred membership fees	5,975	1,100
	\$ 68,834	\$ 25,100

5. LEASE COMMITMENTS

The organization has not been in a lease agreement since June 30,2019. A new lease has not been signed but continues on a verbal basis.

Due to the Covid 19 pandemic and provincial restrictions on meeting in person, this caused the closure of the facility and cancellation of all in person programs for majority of 2021. The Town of Midland agreed to reduce the lease commitment until in person meeting restrictions were lifted.

The facility was open for approximately one month in 2021. Subsequent to year end, government restrictions eased and the facility has now been opened since February 2022.

6. FINANCIAL INSTRUMENT RISKS

It is management's opinion that the organization is not exposed to significant credit, currency or interest rate risks.

7. COMPARATIVE FIGURES

Some of the comparative figures have been reclassified to conform to the current year's presentation.
